Hardware Samples

Newel mounting hardware, plugs and more all available

3009 and 3019 L-Bracket™ Newel Post Fasteners
 come with super heavy-duty extruded brackets, screws & mitered trim.
 Specify 3009 for 3" newels and 3019 for 3-1/2" newels.
 Also specify Oak, Poplar, Maple, Cherry, Alder, White Oak, Beech, or Walnut when ordering.

602 Series
 High quality SOLID BRASS brackets with the very best finish available. This is a forged bracket that is hand ground prior to receiving its final topcoat finish.

Wall Rail Brackets

601 Series
 Installers love these HEAVY DUTY brackets with our quality finishes. The single mounting hole allows these brackets to swivel to the angle of the rail during installation.
