

# BOX NEWELS

SQUARE • OCTAGON • TAPERED • ESTATE • BOX COLUMNS

★ ★ ★ *MADE IN THE USA* ★ ★ ★

Our **Box Newel Collection**, designed and manufactured by Oak Pointe, features the most extensive standard offering of box newels found anywhere. All of our box newels are handcrafted using lock miter joints, solid face grain sides and stile & rail construction with true floating panels. All components in this collection are for interior use only.

**WHERE TRADITION AND INNOVATION CREATE EXCELLENCE**

Custom components are an integral part of our business. Call for pricing on your designs for interior and exterior use.

# The Anatomy of Our Box Newels

## Cross Sections of Box Newels with Panels

True floating panels

Note: Space balls allow for normal expansion and contraction

True stile and rail construction

## Cross Section of Plain or Milled Box Newel

**Products included in installation from the previous page large image:**

- Box newels- 4660 with B, B1 & B custom sides and stainless steel panels  
(see pages 58-61 in our catalog Edition 4.0)
- Handrail- 9200  
(see page 237 in our catalog Edition 4.0)
- Balusters- 1/2" round stainless steel  
(see page 211 in our catalog Edition 4.0)
- Stainless Steel Newels- Round Series 1½" diameter  
(see page 212 in our catalog Edition 4.0)

Stairway pictured with 4092-FP-SS-3 with 7917 cap, cove molding and FINIAL-FLA (Flame Top Finial), 6910 multi-species rail, 4291-FP-SS-290 and 4291-FP-SS-2180, some with long bases and pyramid newel drops and all with 7917 cap & cove molding. Balusters are Cambridge series 2410, 3 length style.

### ***Box Newel with multi-species***

Change the species on a portion or all of the cap and/or the moldings. On box newels with panels also change the panels (see panel options).

# Standard Box Newels

## Step One...

**Choose your style** Choose from 9 standard or 3 tapered styles...  
or discover our selection of Estate and custom styles.

## Tapered Box Newels

**4092T series**  
(see page 62)

**4293T series**  
(see page 62)

**4294T series**  
(see page 62)

## Estate Box Newels

On these models specify which sides are to have top block panels, carved medallions, or flutes.

## Step Two...

## Choose your Cap and other options

for 4075, 4091 and 4292 style Box Newels

for 4076, 4291, 4392, and 4092 style Box Newels

### Box Newels with caps to match your handrail profile

4092-FP shown with 7717 cap & cove molding

6710

xx17 cap- see page 242 in our catalog Edition 4.0 for more options

Add a Finial to your Box Newels

FINIAL-LBT (shown)

### Finial base sizes for standard caps

| Newel Type | Finial max dia. | Newel Type | Finial max dia. |
|------------|-----------------|------------|-----------------|
| 4075       | 2½"             | 4292       | 5"              |
| 4076       | 3"              | 4293T      | 5½"             |
| 4091       | 3¾"             | 4294T      | 5½"             |
| 4092       | 5½"             | 4392       | 3¾"             |
| 4092T      | 3¾"             | 4092T-OCT  | 7½"             |
| 4291       | 4¼"             |            |                 |

See standard Finial designs on pages 276-278 in our catalog Edition 4.0

### Box Newels with Extended Base

**Box Newels with extended bases for side mounting or landing applications**

Please specify your requirements. 4091-FP shown with overall height of 72" and base at 40".

4091-FP shown with extended base

### Box Newels with newel drops

Beautifully cap the bottom of side mounted box newels. Choose our pyramid or flat bottom newel drops.

\* 4092 Series has 4 flutes per side.

## Step Four...

### Choose a Panel design option

Get your Raised or Flat Panels in a specie different than the main newel or in metal

Get optional Square, Step or Large Sticking with your raised or flat panels

Get your Raised or Flat Straight Top Panels with applied mouldings

### Flat Panel

Straight Top Flat Panel (-FP)

Eyebrow Top Flat Panel (-FP-ET)

Round Top Flat Panel (-FP-RT)

### Raised Panel

Straight Top Raised Panel (-RP)

Eyebrow Top Raised Panel (-RP-ET)

Round Top Raised Panel (-RP-RT)

### Panel Inserts

Stainless Steel Panel (grain runs vertically)

Multi-Specie Panel

## Sticking and Top Block Panel Options

All of our box newel panels are standard with Round Sticking ... order optional Square, Step or Large Sticking.

Round Sticking (standard)

Square Sticking (-SS)

Step Sticking (-SP)

Large Sticking (-LS)

NOTE: Large sticking available only on 4092-FP and 4292-FP (See pages 67 & 73 in our catalog Edition 4.0).

Available on:

- 4630/4631 C Panel
- 4660/4661 C & D Panels
- 4392- FP or RP, but no top panels
- 4091, 4092, 4291 & 4292- FP or RP with or without top panels
- 4092T-FP or RP but no top panels
- 4293T/4294T-FP or RP

**Ordering Information:**  
Add "-SS", "-SP" or "-LS" after product number – e.g. 4092-FP-SS

Top block flat or raised panels have three options available.

- ◆ 2 panels opposite each other (180°)
- ◆ 2 adjacent panels (90°)
- ◆ 3 panels

Ordering Information for additional panels:  
Box Newels with panels come standard with 4 lower panels.  
For optional top panels, add the following after product number:

- 2 Opposite Panels – add part number 2180
- 2 Adjacent Panels – add part number 290
- 3 Panels – add part number 3

4392 Box Newel top block accepts flat panel option only.

e.g. 4392-FP-290 or 4392-FP-SS-290 (with Square Sticking)

2 Top Panel - 90°

2 Top Panel - 180°

3 Top Panel

4092-RP-2E-3-PM

Example of 4092 series Box Newel with Applied Panel Mouldings

## Applied Panel Mouldings

(approx 5/8" wide x 1/4" thick)

4091-FP-PM

4092-RP-2E-PM

Box Newels with 2 even panels and Applied Panel Mouldings will have wider cross rail and shorter panels to allow for mouldings

4092-RP-PM

4291-RP-3-PM

Box Newels with panels in the top block and Applied Panel Mouldings will have longer shafts and the top block area will be taller to allow for mouldings

## Panels in Box Newel Bases

Customize your Box Newels with Flat or Raised Panels in the base.

- Indicate if you want panels in 1, 2, 3 or 4 sides.
- Specify your stile & rail sizes.
- With Round Sticking, the dimensions must be minimum 1" and with Square Sticking 1 1/4".

## Long Panel Option

4092-FP-LP

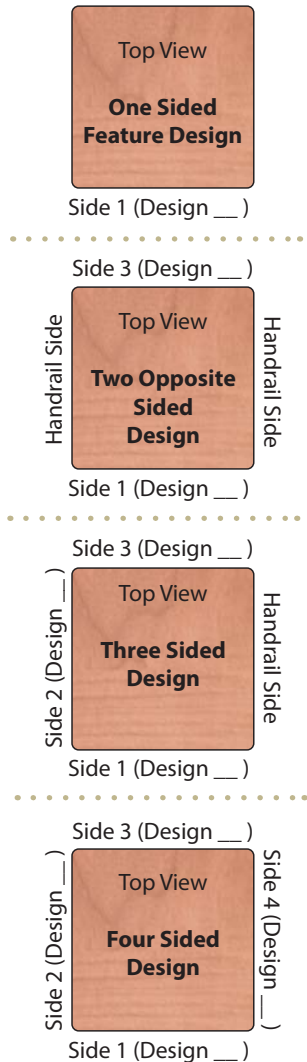

4092 Box Newel with long flat panels in shaft, shown with base field cut to 12" height. Flat Panels on a 4092 box newel can accommodate a handrail up to 3 5/8" wide.

**Oak Pointe's** Contemporary Box Newels come in four sizes and 12 different standard designs to choose from! Flat panel options include:

- *Stainless Steel 304 Satin #4 finish (grain runs vertically)*
- *Wood panel same or different species as the newel*

Get creative and mix them to achieve the look that you desire.

**• Choose your sides**  
(any combination)

*Examples shown with model 4660 Newels*

**Sleeve option**

Sleeve option for 4630 and 4631 series

*Mouldings shipped loose and unmitered*

**Contemporary Box Newels:** *Standard Oak Pointe features including lock mitered corners, stile & rail construction with true floating panels.\* Upper area has solid internal blocking to allow for easy attachment of handrail. Loose internal bottom mounting block included (order your favorite hardware separately).*

**Endless Combinations Available for Your Custom Creation**

- 4 Box Newel models
- 12 different standard designs
- Choose Box Newel species... then select panel infill between matching, or other wood species, or stainless steel
- Sticking... standard Square Sticking or optional Step Sticking (see page 56)
- Choice of 2 caps  

|                         |                 |
