RUSTIC & DISTRESSED

TEXTURED OPTIONS

Hand Hewn 31 Texture: 4000 newel, 5360 balusters, custom handrail

Rustic and Distressed Textured Options are done by hand. Each piece will vary from the next and will have its own unique qualities which proper finishing will enhance. Choose from a variety of textures and wood species in clear or character grade. Character grade will have knots, splits, holes etc., but no representation on how many or their size.

Stains and Finishes

Darker finishes will accent the textures that you chose. If lighter finishes are desired it is recommended that a black glaze be used as a background to enhance the visibility of the surfaces. Please consult with a professional finisher for guidance.
